Wow! We cannot say enough about this calf from a first-time heifer! She is thick, big-boned and fiery! Luckily, we were able to halter train her for a bit and that greatly improved her disposition. She was 57" TTT at 23 months, so she going to have some nice horns to go along with her stocky build. Paprika has Clear Win, Rolling Thunder, CB Little Sure Shot and Plumb Line in her pedigree. She has been exposed to DB Chard Fiddler for a Fall 2025
